

**70th Biometric Colloquium**  
**Navigating the Sea of Data: Biometrics Guides the Way**  
February 28 – March 01, 2024  
Universität zu Lübeck

**Call for Applications:  
Young Statisticians Session  
at the Biometric Colloquium 2024**

**Idea**

The Young Statisticians Session (YSS) can be seen as a prestigious conference rehearsal. As a chosen Young Statistician, you will present your research in English in a friendly atmosphere with the opportunity to get feedback on your presentation afterwards (on performance, slides, etc.). The chosen Young Statisticians receive a certificate and are invited to the conference dinner. Furthermore, their conference fee will be waived.

**Who should apply?**

- Students at the end of their bachelor's or master's thesis or
- Post-graduate students / PhD students in their first year

Your presentation should preferably cover the topic of your bachelor's or master's thesis. It can also include work in progress if no final research results are yet obtained.

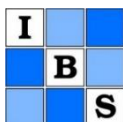

**Application and selection procedure**

Please send your abstract, which should be in line with the general conference guidelines, and a short CV in tabular form to [ag-nachwuchs@googlegroups.com](mailto:ag-nachwuchs@googlegroups.com). The conference website is available at: <https://www.biometrische-gesellschaft.de/termine/biometrische-kolloquien/70th-biometric-colloquium-2024-in-luebeck.html>

The deadline for sending us your application is **October 31, 2023**.

The YSS Committee of the Biometric Colloquium will decide on the applications. You will be notified about the decision by November 20, 2023. If you would also like to apply for one of the main sessions, please follow the abstract submission guidelines on the conference website and indicate this in your application. YSS winners who are also selected for a main session will automatically be assigned to the YSS.

**We are looking forward to receiving your application!**
