

Call for Applications: Young Statisticians Session at the DAGStat 2025

The **Young Statisticians Session (YSS)** can be seen as a prestigious conference rehearsal. As a chosen Young Statistician, you will present your research in English in a friendly atmosphere with the opportunity to get feedback on your presentation (performance, content, layout, etc.). The chosen Young Statisticians receive a certificate and are invited to the conference dinner. Furthermore, their conference fee will be waived.

Who should apply?

- Students at the end of their bachelor's or master's studies or
- Post-graduate students / PhD students in their first year

Your presentation should preferably cover the topic of your bachelor's or master's thesis. It can also include work in progress if no final research results are yet obtained.

Application and selection procedure

Please send your abstract, which should be in line with the general conference guidelines (dagstat2025.de), and a short CV in tabular form to

ag-nachwuchs@googlegroups.com.

Furthermore, please specify which society you prefer to review your application. The participating societies are:

- German Region of the International Biometric Society (IBS-DR)
- German Statistical Society (DStatG)
- Gesellschaft für Klassifikation – Data Science Society (GfKI)

The deadline for sending us your application is **November 10, 2024**.

The YSS committee of the DAGStat will review all submissions. You will be notified about the decision regarding your abstract at least three days before the regular DAGStat submission deadline. If your abstract is not selected for the YSS, you will have the opportunity to resubmit your contribution via CONVERIA as an oral presentation or poster, following the standard conference procedure.

We are looking forward to receiving your application!
